

The Power of Leverage

Do you know anyone who drinks coffee?

What if I could show you a way to earn income every time someone you know drinks coffee?

How would you like to add \$16,000 per month to your income by finding one person per month by sharing coffee?

There are over 100 million coffee drinkers in the USA

Can you find one person per month and teach them to find one person per month?

What if you could find five people per month?

This is a simple business using the second most consumed drink in the world.
